MYSORE ECONOMIC CONFERENCE.

Bangalore, the 16th March *1912.*

Sir,

2. The services of Mr.Subbaswami Iyer, were first placed at the disposal of the Committee for Industries & Commerce for two months, as per Government Order No.G.3643-46/G.M. 36-11-75, dated 9-1-1912, and he joined duty on the 21st idem. The period of two months expires on the 21st March and the Chairman considers this extension very necessary, as many more details have to be collected before the investigation abou the starting of the Tile Factory, is brought to a satisfactor issue.

3. I am therefore to request that Government may be plea to pass very early orders in the matter.

I have the honor to be,
S i r,
Your most obedient servant,

K Subba Rau

Provisional Secretary.

Copy of letter No.590/I.C.C. dated 14th March 1912, from the Chairman, Committee, for Industries & Commerce, Mysore Economic Conference, to the Dewan-President, Mysore Economic Conference.

Sir,

With reference to Government Proceedings No.G.3643-6/G.M.36-11-35, dated the 9th January 1912, I have the honor to request that Government will be pleased to extend the period of the deputation of Mr.G.Subbaswami Iyer to the Industries and Commerce Committee of the Mysore Economic Conference till 30th April 1912.

2. Mr.Subbaswami Iyer joined his duties under this Committee on the 21st January 1912. He has been collecting information, inspecting clay quarries, gathering specimens and arranging for preparing sample tiles. 105 different specimens of clay yielding about 1,300 tiles, roofing, flooring and ridge, have been worked up and it will take some time to dry and burn the tiles. Time is also required for conducting some further experiments.

3. It is also proposed to depute Mr.Subbasami Iyer to Feroke to study the working of the factories there, before completing the estimate for the Mysore Factory.

4. The Tiles Sub Committee and myself consider the extension of service very necessary before the investigation is brought to a satisfactory issue.

As the deputation expires on the 21st instant, I request that orders may kindly issue before that date. If there is no objection, he will continue to serve under this Committee until orders are received.

5. The work we are doing is one of investigation; the estimates require frequent modification and we have to adjust efforts to obstacles from time to time. Mr.Subbaswami Iyer says that the work of the Industrial School will not suffer by his absence as he is in constant touch with the acting Head Master.

As stated in my last letter, the cost of his deputation will be met from the funds placed at the disposal of this Committe
